

Jigsaw Education Group Beacon Rubric

The following statements form part of your Beacon application where we will ask you to answer questions based on the below and submit supporting evidence.

1. Jigsaw approaches are a highly significant feature of our school's provision. We meet Flagship standards for at least 1 Jigsaw product (including PSHE/PSE and /or RE/RVE) and are working to embed PSHE/PSE or RE/RVE if not currently at Flagship level. We have been using the Jigsaw approaches for at least 3 years. (1 for Jigsaw RE) and have been a Flagship for at least 2 years.

2. We have analysed and documented any reasons for NOT using the full range of Jigsaw products.

3. Our SLT are enthusiastic advocates for Jigsaw approaches.

4. Jigsaw approaches are central to our school's vision, mission and development plans.

5. We take every opportunity to share our successes with Jigsaw products through our school networks and via social media.

6. We host visitors to our school to share our outstanding practice in using Jigsaw products. We commit to at least 3 such visits each year.

7. We will share data with Jigsaw Education Group to enable impact assessment of Jigsaw approaches. This includes use of the Wellbeing index across the school.

8. We commit to an annual celebration quality control visit from a member of Jigsaw Education Group.

9. We commit to providing at least two video case studies, in consultation with the Beacon Lead, each year.

10. We commit to attend the annual Beacons Advisory board online meeting.

11. We agree to review and provide feedback on relevant new and revised Jigsaw products.

If your school meet these criteria, please complete the registration form in the Jigsaw Education Group website and our School Support Team will send you a Beacon application form to complete.
